

AUCKLAND REGIONAL PSYCHIATRIC REGISTRAR TRAINING Mandatory Expenses and Texts Reimbursed

This list represents basic requirements. It is not intended to limit the scope of your reading in any way.

Refers to the most recent editions of any of the texts, but only one edition is reimbursed - i.e. if a trainee had an older edition reimbursed they cannot ask for a newer version as well, 5 years later. If an identical paperback version/edition is available, this is to be purchased instead of the more costly Hardback version.
